

I'm not robot!

I am so excited to share this amazing resource with you. I created a this music lapbook filled with music theory worksheets and activities to teach kids about musical notes, musical instruments, dynamic marks, rhythm, and so much more. FREE Music theory worksheets and resources o help teach toddler, preschool, kindergarten, and homeschool children about music. You will find elements to teach about different instruments, rhythm, flashcards, middle C, Peter and the Wolfe, and so much more. Simply download pdf file with free music theory worksheets and you are ready to dive into music theory, notes, and so much more with your elementary age kids from pre-k, kindergarten, first grade, 2nd grade, 3rd grade, and 4th grade students. Music theory worksheets I LOVE music!! My favorite subject in school was choir. To say I love to sint may be an understatement); and I am a VERY proud Alto (although I sang Tenor when needed). I also play the flute and dabbled with the piano, guitar, trumpet, and clarinet. Can you tell I love music? So it should be no surprise that I want my kids to not only love listening to music, but appreciate it as well. Help kids learn to love music and understand how to read music, clap rhythm, what notes are on the bass and treble cleves, the instruments in an orchestra for kids, dynamics, and so much more with this fun introduction to music for kids. We've included music theory worksheets and hands on matching games and music activities to make laerning about music FUN!
